

This prospectus supplement together with the short form base shelf prospectus to which it relates dated February 1, 2018, as amended or supplemented, and each document deemed to be incorporated by reference in this prospectus supplement and in the short form base shelf prospectus, constitutes a public offering of these securities only in those jurisdictions where they may be lawfully offered for sale and therein only by persons permitted to sell such securities.

No securities regulatory authority has expressed an opinion about these securities and it is an offence to claim otherwise.

The securities offered hereby have not been, and will not be, registered under the United States Securities Act of 1933, as amended, (“U.S. Securities Act”) or any state securities laws and, unless registered under the U.S. Securities Act or pursuant to an applicable exemption from registration under the U.S. Securities Act and applicable state securities laws, may not be offered, sold, reoffered, resold or delivered, directly or indirectly, in the United States or to U.S. Persons (as defined in Regulation S under the U.S. Securities Act). This prospectus supplement, together with the short form base shelf prospectus to which it relates, does not constitute an offer to sell or solicitation of an offer to buy any of the securities offered hereby within the United States. See “Plan of Distribution”.

Information has been incorporated by reference in this prospectus supplement, and in the short form base shelf prospectus to which it relates, from documents filed with securities commissions or similar authorities in Canada. Copies of the documents incorporated herein and therein by reference may be obtained on request without charge from the Chief Financial Officer of SmartCentres Real Estate Investment Trust at 3200 Highway 7, Vaughan, Ontario L4K 5Z5 (Telephone (905) 326-6400 Extension 7865), and are also available electronically at www.sedar.com. **PROSPECTUS SUPPLEMENT
To a Short Form Base Shelf Prospectus Dated February 1, 2018**

New Issue

March 20, 2019

SMARTCENTRES REAL ESTATE INVESTMENT TRUST

\$350,000,000 2.757% Series T Debentures Due June 23, 2021

(Senior Unsecured)

This prospectus supplement, together with the short form base shelf prospectus dated February 1, 2018 to which it relates, qualifies the distribution of \$350,000,000 aggregate principal amount of 2.757% Series T unsecured debentures due June 23, 2021 (the “**Debentures**”) of SmartCentres Real Estate Investment Trust (“**SmartCentres**” or the “**Trust**”).

Interest on the Debentures will be payable semi-annually in arrears on June 23 and December 23 in each year commencing on December 23, 2019 (the first interest payment will be calculated based on the number of days from closing to June 23, 2019 and will be a short first coupon in the aggregate amount of \$2,379,328.77 representing \$6.7980822 per \$1,000 principal amount assuming the closing is March 25, 2019). Thereafter, the semi-annual interest payments will be in an amount equal to \$13.785 per \$1,000 principal amount.

Please see “Details of the Offering” for particulars of the material attributes of the Debentures.

At the time of closing, the Debentures will qualify for investment as set out under “Eligibility for Investment”.

There is no market through which the Debentures may be sold and purchasers may not be able to resell Debentures purchased under this prospectus supplement. This may affect the pricing of the Debentures in the secondary market, the transparency and availability of trading prices, the liquidity of the Debentures and the extent of issuer regulation. See “Risk Factors”. Prospective investors should also be aware that the acquisition of Debentures may have tax consequences in Canada. For a summary of certain income tax considerations for certain holders of Debentures, see “Certain Canadian Federal Income Tax Considerations”.

- (1) The price to the public was determined by negotiations between SmartCentres and the Agents.
- (2) Plus accrued interest, if any, from March 25, 2019 to the date of delivery.
- (3) Before deducting the expenses of the offering estimated to be approximately \$400,000.
- (4) Consists of an Agents' fee of 0.20% of the principal amount of the Debentures.

Under an agency agreement (the “**Agency Agreement**”) dated March 18, 2019 between Scotia Capital Inc., BMO Nesbitt Burns Inc., National Bank Financial Inc., CIBC World Markets Inc., RBC Dominion Securities Inc., TD Securities Inc., Desjardins Securities Inc., Canaccord Genuity Corp., Raymond James Ltd., GMP Securities L.P., Industrial Alliance Securities Inc., Casgrain & Company Limited and HSBC Securities (Canada) Inc. (collectively, the “**Agents**”) and SmartCentres, SmartCentres has appointed the Agents as its agents to offer for sale on a best efforts basis, subject to compliance with all necessary legal requirements and to the terms and conditions contained in the Agency Agreement, up to \$350,000,000 principal amount of Debentures at a price equal to \$1,000 per \$1,000 principal amount of Debentures, plus accrued interest (if any) from March 25, 2019 to the date of delivery, payable in cash to SmartCentres against delivery of such principal amount of Debentures. See “Plan of Distribution”.

There is no minimum amount of funds that must be raised under this offering. This means SmartCentres could complete the offering after raising only a small proportion of the offering amounts set out above.

Each of Scotia Capital Inc., BMO Nesbitt Burns Inc., National Bank Financial Inc., CIBC World Markets Inc., RBC Dominion Securities Inc., TD Securities Inc. and Desjardins Securities Inc. is a subsidiary of a financial institution which is among SmartCentres' principal lenders. Consequently, SmartCentres may be considered to be a “connected issuer” of such Agents under applicable Canadian securities legislation. See “Relationship Between SmartCentres and the Agents”.

The Agents conditionally offer the Debentures on a best efforts basis, subject to prior sale, if, as and when issued by SmartCentres and accepted by the Agents in accordance with the conditions contained in the Agency Agreement referred to under “Plan of Distribution” and subject to the approval of certain legal matters on behalf of SmartCentres by Osler, Hoskin & Harcourt LLP and on behalf of the Agents by McCarthy Tétrault LLP.

SmartCentres has been advised by the Agents that, in connection with this offering and subject to applicable laws, the Agents may effect transactions intended to stabilize or maintain the market price of the Debentures at levels other than those that otherwise might prevail on the open market in accordance with market stabilization rules. Such transactions, if commenced, may be discontinued at any time. See “Plan of Distribution”.

Subscriptions for the Debentures will be received subject to rejection or allotment in whole or in part and the Agents reserve the right to close the subscription books at any time without notice. It is expected that the closing of this offering will take place on March 25, 2019 or on such other date as SmartCentres and the Agents may agree but, in any event, not later than April 1, 2019 and that the Debentures will be available for delivery in book-entry form only through the facilities of CDS Clearing and Depository Services Inc. on or about closing.

SmartCentres is not a trust company and is not registered under applicable legislation governing trust companies as it does not carry on or intend to carry on the business of a trust company.

DOCUMENTS INCORPORATED BY REFERENCE

This prospectus supplement is deemed to be incorporated by reference into the accompanying short form base shelf prospectus of SmartCentres dated February 1, 2018 (the “**Short Form Prospectus**”) as of the date hereof solely for the purpose of offering the Debentures.

Information has been incorporated by reference in this prospectus supplement and the Short Form Prospectus from documents filed with securities commissions or similar authorities in Canada. Copies of the documents incorporated herein by reference may be obtained on request without charge from the Chief Financial Officer of SmartCentres Real Estate Investment Trust at 3200 Highway 7, Vaughan, Ontario L4K 5Z5 (Telephone (905) 326-6400 Extension 7865) and are also available electronically at www.sedar.com.

In addition, the following documents, which have been filed by SmartCentres with the securities commission or similar regulatory authority in each of the provinces of Canada, are specifically incorporated by reference into this prospectus supplement:

- (a) the annual information form of SmartCentres dated February 13, 2019;
- (b) the audited annual consolidated financial statements of SmartCentres for the years ended December 31, 2018 and 2017, together with the notes thereto and the auditor’s report thereon;
- (c) management’s discussion and analysis of the financial condition and results of operations of SmartCentres for the year ended December 31, 2018;
- (d) the management information circular of SmartCentres dated April 19, 2018 issued in connection with the meeting of unitholders of SmartCentres held on May 16, 2018;
- (e) the template version of the indicative term sheet for the offering dated March 18, 2019, filed on SEDAR in connection with the offering (the “**Preliminary Debenture Term Sheet**”); and
- (f) the template version of the final term sheet for the offering dated March 18, 2019, filed on SEDAR in connection with the offering (the “**Final Debenture Term Sheet**” and collectively with the Preliminary Debenture Term Sheet, the “**Debenture Term Sheets**”).

All annual information forms, material change reports (excluding confidential material change reports), business acquisition reports, unaudited interim financial statements, audited annual financial statements including the

auditor's report thereon, management's discussion and analysis of financial condition and results of operation and information circulars which are filed by SmartCentres with a securities commission or similar regulatory authority in any of the provinces of Canada after the date of this prospectus supplement and prior to the termination of the offering under this prospectus supplement shall be deemed to be incorporated by reference into this prospectus supplement. Additionally, any template version of marketing materials for this offering filed by SmartCentres with a securities commission or similar regulatory authority in any of the provinces of Canada after the date of this prospectus supplement and prior to the termination of the offering shall be deemed to be incorporated by reference into this prospectus supplement.

Any statement contained in the Short Form Prospectus, in this prospectus supplement or in a document incorporated or deemed to be incorporated by reference herein or in the Short Form Prospectus for the purposes of the offering of Debentures will be deemed to be modified or superseded, for purposes of this prospectus supplement, to the extent that a statement contained herein or in the Short Form Prospectus or in any other subsequently filed document that also is or is deemed to be incorporated by reference herein or in the Short Form Prospectus modifies or supersedes such prior statement. The modifying or superseding statement need not state that it has modified or superseded a prior statement or included any other information set out in the document that it modifies or supersedes. Any statement so modified or superseded will not be deemed, except as so modified or superseded, to constitute a part of this prospectus supplement. The making of a modifying or superseding statement will not be deemed an admission for any purposes that the modified or superseded statement, when made, constituted a misrepresentation, an untrue statement of a material fact or an omission to state a material fact that is required to be stated or that is necessary to make a statement not misleading in light of the circumstances in which it was made.

MARKETING MATERIALS

The Debenture Term Sheets are not part of this prospectus supplement or the Short Form Prospectus to the extent that the contents of the Debenture Term Sheets have been modified or superseded by a statement contained in this prospectus supplement or any amendment. See "Documents Incorporated by Reference".

FORWARD-LOOKING STATEMENTS

Certain statements in this prospectus supplement, in the Short Form Prospectus and in the documents incorporated by reference herein and in the Short Form Prospectus are "forward-looking statements" that reflect management's expectations regarding SmartCentres' future growth, results of operations, performance and business prospects and opportunities and other future events. More specifically, certain statements contained in this prospectus supplement in the sections "Consolidated Capitalization", "Use of Proceeds" and "Risk Factors" including statements regarding SmartCentres' expectations in respect of the use of proceeds from the offering, of meeting the REIT Exception (as defined herein) and not being subject to the SIFT Rules (as defined herein) are forward-looking statements. All statements other than statements of historical fact contained in this prospectus supplement, in the Short Form Prospectus and in the documents incorporated by reference herein and in the Short Form Prospectus are forward-looking statements including, without limitation, statements that contain words such as "could", "should", "can", "anticipate", "expect", "believe", "will", "may" and similar expressions, and statements regarding the timing and amount of distributions and the future financial position, business strategy, proposed acquisitions, plans and objectives of SmartCentres or its subsidiaries. These forward-looking statements are presented for the purpose of assisting SmartCentres' investors and financial analysts in understanding SmartCentres' operating environment, and may not be appropriate for other purposes. Such forward-looking statements contained directly in this prospectus supplement reflect management's current beliefs and are based on information currently available to management.

Forward-looking statements involve significant risks and uncertainties. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements including risks associated with real property ownership, debt financing, interest and financing, capital requirements, credit risk, general uninsured losses, developments, future property acquisitions, competition for real property investments, environmental matters, land leases, potential conflicts of interest, reliance on key personnel, and tax related matters. These risks and others are more fully discussed under the "Risk Factors" section of this prospectus supplement and the "Risk Factors" section of the Short Form Prospectus, which also refers to the risks described in SmartCentres' most recent annual information form, which document has been incorporated by reference herein and in the Short Form Prospectus. Although the forward-looking statements contained in this prospectus supplement, in the Short

Form Prospectus and in the documents incorporated by reference herein and therein are based upon what management believed to be reasonable assumptions at the time such statements were made, SmartCentres cannot assure investors that actual results will be consistent with these forward-looking statements. The forward-looking statements contained in this prospectus supplement, in the Short Form Prospectus and in the documents incorporated by reference herein and therein are expressly qualified in their entirety by this cautionary statement and by the cautionary statements contained in the Short Form Prospectus and in the documents incorporated by reference herein and therein. The forward-looking statements contained in this prospectus supplement are made as at the date of this prospectus supplement, the forward-looking statements contained in the Short Form Prospectus are made as at the date of the Short Form Prospectus and the forward-looking statements contained in the documents incorporated by reference herein or in the Short Form Prospectus are made as of the date of such documents, and SmartCentres assumes no obligation to update or revise such forward-looking statements to reflect new events or circumstances except as otherwise required by applicable securities legislation.

RECENT DEVELOPMENTS

On January 23, 2019, SmartCentres closed an equity offering of 7,360,000 variable voting units at a price of \$31.25 per variable voting unit for gross proceeds of \$230,000,000, including the exercise, in full, of the over-allotment option granted to the underwriters. SmartCentres used the net proceeds from the offering to partially repay amounts drawn on its credit facilities which then became available to be redrawn by SmartCentres to fund, in part, its previously announced development programs with respect to the Vaughan Metropolitan Centre, seniors housing, self-storage, multi-family residential, retail and other initiatives.

On February 5, 2019, SmartCentres and the Penguin Group of Companies (“**Penguin**”) owned by Mitchell Goldhar announced that they have entered into another joint venture with CentreCourt Inc., to develop two additional Transit City Condo towers in SmartCentres Place at the Vaughan Metropolitan Centre. SmartCentres and Penguin alone also intend to develop a sixth tower as a purpose-built rental apartment. The three new towers are planned to total approximately 1600 units. SmartCentres’ share of the estimated development costs are expected to be approximately \$210,000,000, in addition to its contribution of its interest in the land to the joint venture.

On February 7, 2019, SmartCentres, Penguin and Revera Inc. (“**Revera**”), a leading Canadian senior living sector company, announced that the three companies have executed an overall agreement to develop and own new retirement living residences across Canada. In addition, SmartCentres and Revera have executed specific site agreements to proceed with the first three projects in the Greater Toronto Area on land already owned by SmartCentres. The projects are planned to include 536 units, consisting of seniors’ apartments and retirement residences in Vaughan and Oakville. SmartCentres’ share of estimated costs is expected to be approximately \$150,000,000, in addition to its interest in the land to the joint venture.

On February 12, 2019, SmartCentres announced that it has executed agreements for two additional self-storage locations in its joint venture arrangement with SmartStop Asset Management, LLC (“**SmartStop**”). The two newest locations are in Toronto (Scarborough) and Brampton, Ontario on land already owned by SmartCentres. The Toronto (Scarborough) site is planned to include a five-storey, 88,000 rentable square foot self-storage facility with approximately 900 units on a 1.2-acre parcel. The Brampton site is planned to include a four-storey, 93,500 rentable square foot self-storage facility with approximately 950 units on a 1.5- acre parcel. SmartCentres’ share of the estimated development costs for each of the locations is expected to be approximately \$8,000,000, in addition to its contribution of its interest in the land to the joint venture.

On March 8, 2019, SmartCentres redeemed \$150,000,000 aggregate principal amount of 4.05% Series H senior unsecured debentures due July 27, 2020 at a total redemption price of \$1,021.87 plus accrued and unpaid interest of \$4.438356, both per \$1,000 principal amount. SmartCentres entered into credit and swap facilities with a Canadian chartered bank for a \$150,000,000 seven year term at a 3.59% fixed rate to fund such redemption.

ELIGIBILITY FOR INVESTMENT

In the opinion of Osler, Hoskin & Harcourt LLP, counsel to SmartCentres, and McCarthy Tétrault LLP, counsel to the Agents (collectively, “**Counsel**”), based on the current provisions of the *Income Tax Act* (Canada) and the regulations thereunder (collectively, the “**Tax Act**”) and all specific proposals to amend the Tax Act publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof, the Debentures, if issued on

the date hereof, would be qualified investments under the Tax Act for registered retirement savings plans (“RRSPs”), registered retirement income funds (“RRIFs”), deferred profit sharing plans (“DPSPs”), registered education savings plans (“RESPs”), tax-free savings accounts (“TFASAs”) and registered disability savings plans (“RDSPs”) (collectively “Plans”), provided that SmartCentres is a mutual fund trust under the Tax Act on the date hereof and at that time Units are listed on a designated stock exchange in Canada (which currently includes the Toronto Stock Exchange (the “TSX”)) (except that the Debentures are not a qualified investment for a trust governed by a DPSP for which any employer is SmartCentres).

In the case of a TFSA, RRSP, RRIF, RESP or RDSP, provided the holder of the TFSA or RDSP, annuitant under the RRSP or RRIF or subscriber of the RESP, as the case may be, deals at arm’s length with (for purposes of the Tax Act) SmartCentres and does not have a “significant interest” (within the meaning of the Tax Act) in SmartCentres, the Debentures will not be a prohibited investment under the Tax Act for such TFSA, RRSP, RRIF, RESP or RDSP. Annuitants of a trust governed by an RRSP or RRIF, holders of a trust governed by a TFSA or RDSP and subscribers of a trust governed by a RESP should consult their own advisors to ensure the Debentures would not be a prohibited investment in their particular circumstances.

RATINGS ON SECURITIES

DBRS Limited (“DBRS”) provides credit ratings of debt securities for commercial entities. A credit rating generally provides an indication of the risk that the borrower will not fulfill its full obligations in a timely manner with respect to both interest and principal commitments. Rating categories range from highest credit quality (generally AAA) to very highly speculative (generally C). DBRS has provided SmartCentres with a credit rating of BBB with a stable trend relating to all senior unsecured obligations of SmartCentres (the “Senior Debentures”) including SmartCentres’ (i) series I unsecured debentures due May 30, 2023 bearing interest at an annual rate of 3.985% per annum, (ii) series L senior unsecured debentures due February 11, 2021 bearing interest at an annual rate of 3.749% per annum, (iii) series M senior unsecured debentures due July 22, 2022 bearing interest at an annual rate of 3.73% per annum, (iv) series N senior unsecured debentures due February 6, 2025 bearing interest at an annual rate of 3.556%, (v) series O senior unsecured debentures due August 28, 2024 at an annual rate of 2.987% per annum, (vi) series P senior unsecured debentures due August 28, 2026 bearing interest at an annual rate of 3.444%, (vii) series Q senior unsecured debentures due March 21, 2022 bearing interest at an annual rate of 2.876% per annum, (viii) series R floating rate senior unsecured debentures due December 21, 2020; (ix) series S senior unsecured debentures due December 21, 2027 bearing interest at an annual rate of 3.834%; and (x) a preliminary credit rating of BBB with a stable trend on the Debentures. A credit rating of BBB is generally an indication of adequate credit quality as defined by DBRS.

DBRS also provides stability ratings for real estate investment trusts and income trusts. A stability rating generally provides an indication of both the stability and sustainability of the distributions to unitholders by the rated entity. DBRS’s rating categories range from highest stability and sustainability of distributions per unit (STA-1) to poor stability and sustainability of distributions per unit (STA-7). DBRS has provided SmartCentres with a stability rating of STA-3 (high). This rating category reflects good stability and sustainability of distributions per unit.

Payments were made by SmartCentres to DBRS in connection with the ratings of the Senior Debentures (including, for greater certainty, the Debentures) and in connection with the stability rating of SmartCentres. No payments were made to DBRS in respect of any other service provided to SmartCentres by DBRS during the last two years.

The ratings accorded to SmartCentres are not recommendations to purchase, hold or sell SmartCentres’ securities. There can be no assurance that any rating will remain in effect for any given period of time or that any rating will not be withdrawn or revised by a rating agency at any time.

INTEREST AND EARNINGS COVERAGES

The Series T Trust Indenture (as defined under “Details of the Offering - Definitions”) will contain a covenant that SmartCentres will maintain a ratio of Consolidated Adjusted EBITDA to Consolidated Interest Expense of not less than 1.65 to 1. The calculation of such interest coverage ratio will be based on the defined terms of Consolidated Adjusted EBITDA and Consolidated Interest Expense to be contained in the Series T Trust Indenture (see “Details of the Offering - Definitions” and “Details of the Offering - Certain Covenants regarding Debentures - Consolidated

Adjusted EBITDA to Consolidated Interest Expense Ratio”). This interest coverage ratio differs from the earnings coverage ratio required to be calculated under applicable Canadian securities law disclosure requirements. Such securities law disclosure requires the calculation to be based upon earnings and, as described in Note 1 to the table below under “Earnings Coverage Ratios”, includes a full 12 months of interest expense on indebtedness incurred subsequent to the respective calculation periods as if the indebtedness was incurred at the beginning of the calculation period but gives no credit to income derived from the associated use of proceeds other than interest savings on the repayment, redemption or retirement of other indebtedness. The interest coverage ratio calculated in accordance with the terms of the Trust Indenture for the 12 month period ended December 31, 2018 gives pro forma effect to the issuance of the Debentures and to acquisitions and dispositions of income producing assets, debt incurred and debt retired during or subsequent to the calculation period and the associated annual income therefrom as if these transactions occurred at the beginning of the calculation period. These coverage ratios are set out below. The first coverage ratio (under “Earnings Coverage Ratio”) has been calculated using the methodology prescribed under applicable Canadian securities law. The second coverage ratio (under “Interest Coverage Ratio”) has been calculated using the methodology that will be prescribed by the Series T Trust Indenture.

Earnings Coverage Ratios

After (i) giving pro forma effect to the issuances of long-term debt, the redemption of certain unsecured debentures and other changes in indebtedness subsequent to the calculation period as if the issuances, redemptions and changes had occurred at the beginning of the calculation period, and all servicing costs that have been, or are expected to be, incurred in connection therewith, and (ii) giving effect to this offering (the “**Pro Forma Adjustments**”), SmartCentres pro forma interest requirements for the 12 months ended December 31, 2018 was \$159,935,000 and its net income before deducting interest and income taxes for such period was \$546,930,000 being approximately 3.42 times SmartCentres pro forma interest requirements for such period.

The following table sets out the pro forma earnings coverage ratio discussed above.

	Pro forma for the 12 months ended December 31, 2018 ⁽¹⁾
Interest expense (\$)	139,894,000
Capitalized interest (\$)	20,041,000

Notes:

- (1) Includes a full 12 months of pro forma interest expense on indebtedness incurred subsequent to the end of the calculation period as if the indebtedness was incurred at the beginning of the calculation period but gives no credit to income derived from the associated use of proceeds other than interest savings on the repayment, redemption or retirement of other indebtedness.
- (2) SmartCentres is taxed as a mutual fund trust for income tax purposes. SmartCentres intends to distribute all of its taxable income to unitholders each year and to deduct such distributions for income tax purposes.

Interest Coverage Ratio

The interest coverage ratio for SmartCentres for the 12 month period ended December 31, 2018 (including pro forma adjustments as required under the Series T Trust Indenture), being SmartCentres’ ratio of Consolidated Adjusted EBITDA to Consolidated Interest Expense calculated in accordance with the terms of the Series T Trust Indenture, is approximately 3.29.

The following table sets out the pro forma interest coverage ratio discussed above.

	Pro forma for the 12 months ended December 31, 2018
Interest expense (\$)	\$140,904,000
Capitalized interest (\$)	\$20,041,000

Net loss on sale of properties (\$)	\$637,000
Numerator – Consolidated Adjusted EBITDA (\$)	\$512,449,000
Interest Coverage Ratio	3.29

Note:

- (1) SmartCentres is taxed as a mutual fund trust for income tax purposes. SmartCentres intends to distribute all of its taxable income to unitholders each year and to deduct such distributions for income tax purposes.

CONSOLIDATED CAPITALIZATION

In this prospectus supplement, “**Exchangeable Securities**” means any securities of any trust, limited partnership or corporation other than SmartCentres that are convertible or exchangeable directly for units of SmartCentres (“**Units**”) without the payment of additional consideration therefor.

As at December 31, 2018, SmartCentres had 134,498,397 Units and 27,218,446 Exchangeable Securities issued and outstanding. From December 31, 2018 to the date of this prospectus supplement, 7,892,782 Units have been issued by SmartCentres, comprising; (i) 7,360,000 Units as a result of an equity offering on January 23, 2019; (ii) 479,060 Units through SmartCentres’ distribution reinvestment plan; (iii) 53,002 Units as partial consideration for acquisitions; and (iv) 720 Units pursuant to SmartCentres’ deferred unit plan. As such, as at the date of this prospectus supplement, SmartCentres had 142,391,179 Units and 27,218,446 Exchangeable Securities outstanding for a total of 169,609,625 Units and Exchangeable Securities outstanding in aggregate.

As at December 31, 2018, the indebtedness of SmartCentres, consisting of mortgages payable, development loans, unsecured debentures, credit facilities and revolving operating facilities was approximately \$4,110,484,000. Since that time and as of March 20, 2019, the net indebtedness of SmartCentres has decreased by approximately \$218,352,000, including a decrease of approximately \$150,000,000 to redeem the 4.05% Series H senior unsecured debentures due July 27, 2020, a decrease of approximately \$2,695,000 to repay a portion of development loans, a decrease of approximately \$16,488,000 to repay the scheduled amortization of mortgages payable and a decrease of approximately \$201,000,000 to repay a portion of credit facilities and revolving operating facilities, offset by an increase of approximately \$151,831,000 in connection with acquisition, financing, and development activities. As a result of this offering, the indebtedness of SmartCentres will increase by a further \$350,000,000, however it is expected that the indebtedness of SmartCentres will subsequently decrease when the proceeds of the offering in the amount of approximately \$213,000,000 are used to repay variable rate mortgages on March 26, 2019, and in the amount of approximately \$120,000,000 are used to repay certain variable rate construction loan facilities which include portions for our joint venture partner, Penguin, of approximately \$56,500,000. See “Use of Proceeds”.

DETAILS OF THE OFFERING

*The Debentures will be issued under a trust indenture (the “**Trust Indenture**”) dated September 22, 2005 between SmartCentres and Computershare Trust Company of Canada (the “**Indenture Trustee**”), as last supplemented by the twentieth supplemental trust indenture in respect of the Debentures to be dated as of the closing*

date of this offering and to be entered into between SmartCentres and the Indenture Trustee (the Trust Indenture, as supplemented by the twentieth supplemental trust indenture, are collectively referred to as the “**Series T Trust Indenture**”). The Trust Indenture authorizes SmartCentres to issue an unlimited aggregate principal amount of Debt Securities (as defined below) in one or more series. Each such issue will be made by way of a supplemental indenture which will set out the terms of the relevant series of Debt Securities. The terms of the Debentures will be set out in the Series T Trust Indenture. The following is a summary of the material terms of the Debentures which does not purport to be complete. For full particulars of such terms, reference should be made to the Series T Trust Indenture.

Definitions

For the purpose of the following discussion of certain provisions of the Series T Trust Indenture, the following terms have the meanings set out below:

“**Adjusted Unitholders’ Equity**” of SmartCentres, at any time, means the aggregate of the Carrying Value of Equity plus (i) the aggregate of the Carrying Values of the (a) earnout options, (b) deferred unit plan, (c) limited partnership units and (d) conversion feature of convertible debentures, to the extent such items are classified as liabilities; and (ii) current and deferred income tax liabilities, if any; less/plus the excess/shortfall between (a) the Carrying Value of investment properties presented on the consolidated balance sheet and (b) the Cost Value of investment properties presented on the consolidated balance sheet.

“**Affiliate**” of any person means an affiliated company of such person, such term having the meaning attributed to it in the *Securities Act* (Ontario) and, in the case of SmartCentres, the meaning shall be read as though SmartCentres were a company.

“**Aggregate Assets**” of SmartCentres, at any time, means the aggregate of (i) the total Carrying Value of the assets of SmartCentres plus (ii) accumulated amortization on property, plant and equipment; less (iii) the Carrying Value of goodwill; less/plus (iv) the excess/shortfall between (a) the Carrying Value of investment properties presented on the consolidated balance sheet and (b) the Cost Value of investment properties presented on the consolidated balance sheet.

“**Approved Rating Organization**” means any one of DBRS, Fitch Inc., Moody’s Investors Service, Inc., Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc. and any of their successors, and any other rating organization commonly used for the purpose of rating publicly offered Canadian debt securities.

“**Capital Lease Obligation**” of any person means the obligation of such person, as lessee, to pay rent or other payment amounts under a lease of real or personal property which is required to be classified and accounted for as a capital lease or a liability on a consolidated balance sheet of such person in accordance with GAAP.

“**Carrying Value**” means the amounts determined in accordance with GAAP.

“**Change of Control**” means the acquisition by a person who is not an Affiliate of SmartCentres, or group of persons acting jointly or in concert, directly or indirectly, of units of SmartCentres (and/or securities convertible into units of SmartCentres) representing (on a diluted basis, but only giving effect to the conversion or exercise of convertible securities held by such person or group of persons) greater than 50% of the units of SmartCentres.

“**Change of Control Triggering Event**” means the occurrence of both a Change of Control and a Rating Event.

“**Consolidated Adjusted EBITDA**” of SmartCentres for any period means Consolidated Net Income increased by the sum of (i) Consolidated Interest Expense, excluding interest that has been capitalized on projects that are under development or held for future development, for such period, (ii) distributions on deferred units and limited partnership units classified as liabilities on the balance sheet of SmartCentres for such period, (iii) income tax expense for such period, (iv) amortization of property, plant and equipment for such period, (v) amortization of tenant incentives for such period, (vi) amortization of direct leasing costs for such period, (vii) fair value loss on revaluation of investment properties for such period, (viii) fair value loss on financial instruments for such period, and (ix) transaction costs in respect of business combinations; decreased by the sum of (x) fair value gain on revaluation of investment properties for such period, (xi) fair value gain on financial instruments for such period, (xii) income tax

recovery; and increased/decreased as appropriate by (xiii) other non-cash items changing Consolidated Net Income in determining Consolidated Net Income for such period; all determined on a consolidated basis in accordance with GAAP.

“Consolidated Indebtedness” of SmartCentres as at any date means the Carrying Value of consolidated Indebtedness of SmartCentres as at such date determined, except as otherwise expressly provided in the eighteenth, nineteenth or twentieth supplemental indenture, as applicable, or in the Trust Indenture, in accordance with GAAP.

“Consolidated Interest Expense” of SmartCentres for any period means the aggregate amount of interest expense of SmartCentres in respect of Indebtedness, Capital Lease Obligations, the original issue discount of any Indebtedness issued at a price less than the face amount thereof paid, accrued or scheduled to be paid or accrued by SmartCentres during such period and, to the extent interest has been capitalized on projects that are under development or held for future development during the period, the amount of interest so capitalized, all as determined on a consolidated basis in accordance with GAAP (provided that, notwithstanding its presentation under GAAP, (i) all interest expense of SmartCentres in respect of convertible debt Indebtedness will be included (without duplication) in determining Consolidated Interest Expense and (ii) all interest expense determined in accordance with GAAP in respect of distributions on deferred units and limited partnership units classified as liabilities on the balance sheet of SmartCentres and distributions on non-controlling interests will be excluded in determining Consolidated Interest Expense).

“Consolidated Net Income” of SmartCentres for any period means the net income (loss) of SmartCentres for such period determined on a consolidated basis in accordance with GAAP, excluding any gain or loss (net of any tax impact) attributable to the sale or other disposition of any asset of SmartCentres, other than the sale or disposition of investment properties specifically acquired and held for resale.

“Cost Value” of investment properties means the sum of (a) the original cost of investment properties, (b) the additional costs recorded in respect of subsequent expenditures eligible for capitalization under GAAP, and (c) less the original and additional costs of parts of such investment properties disposed or otherwise derecognized, for investment properties included on the consolidated balance sheet; all determined on a consolidated basis in accordance with GAAP. For greater certainty, for purposes of this definition, the cost of investment properties includes initial direct leasing costs that are added to investment properties under GAAP.

“Debt Securities” means unsecured debt securities of SmartCentres issued from time to time pursuant to the Trust Indenture.

“Equity” means, the residual between total assets and total liabilities determined in accordance with GAAP.

“Extraordinary Resolution” means, for any series of Debt Securities, instruments in writing signed by the holders of not less than 66⅔% (or 75% in certain events as described under “Modification and Waiver”) of the aggregate outstanding principal amount of such series of Debt Securities or a resolution passed as an Extraordinary Resolution by the affirmative vote of the holders of not less than 66⅔% (or 75% in certain events as described under “Modification and Waiver”) of the aggregate outstanding principal amount of such series of Debt Securities represented and voting at a meeting of holders of such series of Debt Securities duly convened and held in accordance with the Trust Indenture, all upon compliance with the procedures specified in the Trust Indenture.

“GAAP” means, as at any date of determination, generally accepted accounting principles in effect in Canada as of the date of the Series T Trust Indenture that are applicable to SmartCentres.

“Indebtedness” of any person means (without duplication), on a consolidated basis, (i) any obligation of such person for borrowed money (including, for greater certainty, the full principal amount of convertible debt, notwithstanding its presentation under GAAP), (ii) any obligation of such person incurred in connection with the acquisition of property, assets or businesses, (iii) any obligation of such person issued or assumed as the deferred purchase price of property, (iv) any Capital Lease Obligation of such person, and (v) any obligations of the type referred to in clauses (i) through (iv) of another person, the payment of which such person has guaranteed or for which such person is responsible or liable; provided that, for the purpose of clauses (i) through (v) (except in respect of convertible debt, as described above), an obligation will constitute Indebtedness only to the extent that it would appear as a liability on the consolidated balance sheet of such person in accordance with GAAP. Obligations referred to in

clauses (i) through (iii) exclude (a) trade accounts payable, (b) distributions payable to unitholders of SmartCentres or limited partners of subsidiaries of SmartCentres, (c) accrued liabilities arising in the ordinary course of business which are not overdue or which are being contested in good faith, (d) indebtedness with respect to the unpaid balance of installment receipts, where such indebtedness has a term not in excess of 12 months, (e) intangible liabilities, (f) deferred revenues, (g) limited partnership units of subsidiaries, (h) deferred units classified as liabilities, (i) earnout options classified as liabilities, and (j) the conversion feature of convertible debentures classified as liabilities, all of which will be deemed not to be Indebtedness for the purposes of this definition.

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s Investors Service, Inc., BBB– (or the equivalent) by Standard & Poor’s Rating Services, a division of The McGraw Hill Companies Inc., BBB (low) (or the equivalent) by DBRS, or BBB– (or the equivalent) by Fitch Ratings Inc. or the equivalent investment grade credit rating from any other Approved Rating Organization.

“Material Subsidiary” means, at any date, any Subsidiary the book value of the assets of which exceed (on a stand-alone basis) 5% of the Adjusted Unitholders’ Equity calculated as at such date.

“Non-Recourse Indebtedness” means any Indebtedness of a Subsidiary of SmartCentres which is a single purpose company or whose principal assets and business are constituted by a particular project and pursuant to the terms of which Indebtedness payment is to be made from the revenues arising out of such project with recourse for such payment being available only to the revenues or the assets of such single purpose company or the project.

“Rating” means the final rating, if any, assigned to the senior unsecured debt of a Person or to such Person, as applicable, by an Approved Rating Organization.

“Rating Event” means any of (A) the Rating of the Debentures is lowered to below an Investment Grade Rating by at least two of the Approved Rating Organizations if there are more than two Approved Rating Organizations or all of the Approved Rating Organizations if there are less than three Approved Rating Organizations (the **“Required Threshold”**) on any day within the 60-day period (which 60-day period will be extended so long as the Rating of such Debentures is under publicly announced consideration for a possible downgrade by such number of the Approved Rating Organizations which, together with Approved Rating Organizations which have already lowered their ratings on such Debentures as aforesaid, would aggregate in number the Required Threshold, but only to the extent that, and for so long as, a Change of Control Triggering Event would result if such downgrade were to occur) after the earlier of (i) the occurrence of a Change of Control, and (ii) public notice of the occurrence of a Change of Control or of SmartCentre’s intention or agreement to effect a Change of Control, (B) the Rating of the Debentures by the Required Threshold is below an Investment Grade Rating upon the occurrence of a Change of Control and the Rating of the Debentures by the Required Threshold remains below an Investment Grade Rating 30 days after the occurrence of such Change of Control (which 30-day period will be extended so long as the Rating of the Debentures is under publicly announced consideration for a possible increase by such number of the Approved Rating Organizations which, together with Approved Rating Organizations which have already increased their ratings on the Debentures as aforesaid, would aggregate in number the Required Threshold), and (C) following the occurrence of a Change of Control, (i) one or more of the Approved Rating Organizations cease to rate the Debentures such that only one Approved Rating Organization continues to rate such Debentures if there are two or more Approved Rating Organizations, or (ii) the Approved Rating Organization ceases to rate the Debentures if there is only one Approved Rating Organization.

“Subsidiary” of any Person has the meaning attributed to it in the Ontario Securities Commission Rule 45-501 as in effect on the date hereof.

General

The Debentures will be issued in \$1,000 denominations and will be dated March 25, 2019, will bear interest at the rate of 2.757% per annum, payable in semi-annual instalments on June 23 and December 23 in each year, with the first payment of interest due on June 23, 2019 calculated based on the number of days from closing to such date being a short first coupon in the aggregate amount of \$2,379,328.77 representing \$6.7980822 per \$1,000 principal amount assuming the closing is March 25, 2019. Thereafter, the semi-annual interest payments will be in an amount equal to \$13.785 per \$1,000 principal amount. The Debentures will mature on June 23, 2021.

Rank

The Debentures will be direct senior unsecured obligations of SmartCentres and will rank equally and rateably with one another and with all other unsecured and unsubordinated Indebtedness of SmartCentres except for sinking fund provisions (if any) applicable to different series of Debt Securities or other obligations of SmartCentres, except to the extent prescribed by law.

Guarantee

The Debentures will be guaranteed by the wholly-owned Material Subsidiaries of SmartCentres. All such current and future Material Subsidiaries will provide a guarantee of the Debentures. In the case of default by SmartCentres, the Indenture Trustee will, subject to the Series T Trust Indenture, seek redress from such Subsidiaries for the guaranteed obligations. These guarantees are intended to eliminate structural subordination, which arises as a consequence of certain SmartCentres assets being held in various Subsidiaries. A guarantor may be released from its guarantee in certain circumstances where it no longer remains a majority-owned Subsidiary of SmartCentres. The financial results of the guarantors are included in the consolidated financial results of SmartCentres, which are incorporated by reference in this prospectus supplement. See “Risk Factors – Structural Subordination of Debentures”.

Redemption by SmartCentres

The Debenture will not be redeemable by SmartCentres.

Purchase of Debt Securities

SmartCentres may at any time and from time to time purchase the Debentures in the market (which will include purchases from or through an investment dealer or a firm holding membership on a recognized stock exchange) or by tender or private contract at any price. Debt Securities that are so purchased will be cancelled and will not be reissued or resold.

Certain Trust Indenture Covenants

The Series T Trust Indenture will contain covenants substantially to the following effect in favour of holders of the Debt Securities (including the Debentures).

Maintenance of Properties

SmartCentres will maintain and keep or cause to be maintained and kept in good condition, repair and working order all of the properties owned by it or any of its Subsidiaries used in its business or in the business of any of its Subsidiaries. SmartCentres will make or cause to be made all necessary repairs and renewals to and replacements and improvements of these properties as in its judgment may be necessary to carry on its business properly and prudently. Notwithstanding the foregoing, SmartCentres and its Subsidiaries will not be prohibited from selling or transferring their properties in the ordinary course of business.

Insurance

SmartCentres will maintain and will cause its Subsidiaries to maintain such property and liability insurance as would be maintained by a prudent owner.

Restrictions on Consolidations and Mergers

SmartCentres may not consolidate with, amalgamate or merge with or into or sell, assign, transfer or lease all or substantially all of its properties and assets unless:

- (a) the entity formed by such consolidation or amalgamation or into which SmartCentres is merged or the entity which acquires by operation of law or by conveyance or by transfer the assets of SmartCentres substantially as an entirety is a corporation or unincorporated organization organized or existing under the laws of Canada or any province or territory thereof and (except where such

assumption is deemed to have occurred solely by the operation of law) such entity assumes under a supplemental indenture all the obligations of SmartCentres under the Trust Indenture, any supplemental indenture and the Debt Securities and such transaction to the satisfaction of the Indenture Trustee and in the opinion of counsel will be on such terms to preserve and not impair any of the rights and powers of the Indenture Trustee and the holders of Debt Securities;

- (b) immediately before and immediately after giving effect to such transaction, no Event of Default (as defined in the Trust Indenture) has occurred and is continuing; and
- (c) immediately after giving effect to such transaction, the surviving entity could incur at least \$1.00 of additional Indebtedness.

Certain Covenants Regarding Debentures

The Series T Trust Indenture will contain covenants substantially to the following effect in favour of the holders of the Debentures.

Consolidated Adjusted EBITDA to Consolidated Interest Expense Ratio

SmartCentres will maintain a ratio of Consolidated Adjusted EBITDA to Consolidated Interest Expense (including pro forma adjustments as required under the Series T Trust Indenture) of not less than 1.65 to 1.

Restrictions on Additional Indebtedness

SmartCentres will not incur or assume, or permit any Subsidiary to incur or assume, any Indebtedness unless the quotient (expressed as a percentage) obtained by dividing Consolidated Indebtedness by Aggregate Assets, calculated on a pro forma basis as described below (the “**Indebtedness Percentage**”), would be less than or equal to 65%.

The Series T Trust Indenture will provide that the Indebtedness Percentage will be calculated on a pro forma basis as at the date of SmartCentres’ most recently published balance sheet (the “**Balance Sheet Date**”) giving effect to the incurrence of the Indebtedness to be incurred or assumed and the application of the proceeds therefrom and to any other event that has increased or decreased Consolidated Indebtedness or Aggregate Assets since the Balance Sheet Date to the date of calculation.

Equity Maintenance

SmartCentres will maintain an Adjusted Unitholders’ Equity of at least \$500 million.

Events of Default

The Trust Indenture provides that each of the following events will constitute an event of default (each, an “**Event of Default**”) in respect of each series of Debt Securities (including the Debentures):

- (a) default in payment of principal when due;
- (b) default in payment of any interest when due where such default continues for a period of three business days after the relevant interest payment date;
- (c) a breach of or default in the performance of any other covenant of SmartCentres under the Trust Indenture, the Debt Securities or a supplemental indenture in connection with that series of Debt Securities where such default or breach continues for a period of 30 days after the Indenture Trustee has given notice in writing to SmartCentres specifying the nature of such breach or default, and requiring that it be remedied unless the Indenture Trustee (having regard to the subject matter of such breach or default) agrees to a longer period, and in such event within the period agreed to by the Indenture Trustee;

- (d) certain events of bankruptcy, insolvency, winding up or dissolution related to SmartCentres or a Material Subsidiary as set out in the Trust Indenture;
- (e) the rendering of a final judgment or judgments (not subject to appeal) against SmartCentres or any Material Subsidiary in an aggregate amount in excess of \$25 million by a court or courts of competent jurisdiction, which remains or remain undischarged and unstayed for a period of 60 days after the date on which the right to appeal has expired; and
- (f) default by SmartCentres or any Material Subsidiary under the terms of any Indebtedness (other than any Non-Recourse Indebtedness) where that default results in the acceleration of that Indebtedness (after expiration of any applicable grace period) unless such acceleration is waived or rescinded; provided that the aggregate of all such Indebtedness which is accelerated exceeds \$25 million.

Subject to the provisions of the Trust Indenture relating to the duties of the Indenture Trustee, in case an Event of Default applicable to a series of Debt Securities occurs and is continuing, the Indenture Trustee will be under no obligation to exercise any of its rights or powers under the Trust Indenture at the request or direction of any of the holders of Debt Securities of such series, unless such holders have offered to indemnify the Indenture Trustee to its reasonable satisfaction.

If an Event of Default (other than an Event of Default described in paragraph (d) above) occurs and is continuing with respect to a particular series of Debt Securities, either the Indenture Trustee or the holders of at least 25% in aggregate principal amount of the outstanding Debt Securities of such series may accelerate the maturity of all Debt Securities of such series; provided that, notwithstanding any other provisions of the Trust Indenture, any supplemental indenture or any Debt Securities, after such acceleration, but before a judgment or decree based on acceleration, the holders of a majority in aggregate principal amount of outstanding Debt Securities of that series may rescind and annul such acceleration in certain circumstances described in the Trust Indenture. See “Modification and Waiver”. If an Event of Default specified in paragraph (d) above occurs, the outstanding Debt Securities will become immediately due and payable without any declaration or other act on the part of the Indenture Trustee or any holder of Debt Securities. If the maturity of the Debt Securities of a series has been accelerated, legal action against SmartCentres may be authorized by an Extraordinary Resolution of the holders of the Debt Securities of such series.

Depository Services

Except as otherwise provided below, the Debentures will be issued in “book-entry only” form and must be purchased or transferred through participants (“**Participants**”) in the depository service of CDS Clearing and Depository Services Inc. or a successor (“**CDS**”), which include securities brokers and dealers, banks and trust companies. On the closing date of the offering, SmartCentres will cause a global certificate or certificates representing the Debentures (each, a “**Global Debenture**”) to be delivered to, and registered in the name of, CDS or its nominee. Except as described below, no purchaser of a Debenture will be entitled to a certificate or other instrument from SmartCentres or CDS evidencing that Debentureholder’s ownership thereof, and no Debentureholder will be shown on the records maintained by CDS except through a book-entry account of a Participant acting on behalf of such Debentureholder. Each Debentureholder will receive a customer confirmation of purchase from the registered dealer from which the Debenture is purchased in accordance with the practices and procedures of that registered dealer. Practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. CDS will be responsible for establishing and maintaining book-entry accounts for its Participants having interests in the Debentures.

Debentures will be issued in fully registered form to holders or their nominees other than CDS or its nominee if (i) SmartCentres determines that CDS is no longer willing or able to discharge properly its responsibilities as depository and SmartCentres is unable to locate a qualified successor, (ii) SmartCentres at its option elects, or is required by law, to terminate the book-entry system through CDS or such book-entry system ceases to exist, or (iii) after the occurrence of an Event of Default, holders of Debentures representing beneficial interests aggregating over 50% of the outstanding principal amount of Debentures determine that the continuation of the book-entry system is no longer in their best interests.

Transfers

Transfers of ownership in the Debentures will be effected only through records maintained by CDS or its nominee for such Debentures with respect to interests of Participants and on the records of Participants with respect to interests of persons other than Participants. Debentureholders who are not Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interest in the Debentures, may do so only through Participants.

The ability of a Debentureholder to pledge a Debenture or otherwise take action with respect to such Debentureholder's interest in a Debenture (other than through a Participant) may be limited due to the lack of a physical certificate.

Payment of Interest and Principal

Except in the case of payment on maturity, in which case payment may be made on surrender of the Global Debenture, payments of interest and principal on each Global Debenture will be made to CDS as registered holder of the Global Debenture. Interest payments on the Global Debenture will be made by cheque dated the date interest is payable and delivered to CDS two days before the date interest is payable. Payments of interest may also be made by electronic funds transferred to CDS at the option of SmartCentres. Principal payments on the Global Debenture will be made by cheque dated the maturity date delivered to CDS at maturity against receipt of the Global Debenture. As long as CDS is the registered holder of the Global Debenture, CDS will be considered the sole owner of the Global Debenture for the purpose of receiving payment on the Debentures and for all other purposes under the Trust Indenture and the Debentures.

SmartCentres expects that CDS, upon receipt of any payment of principal or interest in respect of a Global Debenture, will credit Participants' accounts, on the date principal or interest is payable, with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Debenture as shown on the records of CDS. SmartCentres also expects that payments of principal and interest by Participants to the owners of beneficial interests in such Global Debenture held through such Participants will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participants. The responsibility and liability of SmartCentres and the Indenture Trustee in respect of Debentures represented by the Global Debenture is limited to making payment of any principal and interest due on such Global Debenture to CDS.

If the date for payment of any amount of principal or interest on any Debenture is not a business day at the place of payment, then payment will be made on the next business day and the holder of the Debenture will not be entitled to any further interest or other payment in respect of the delay.

Change of Control

If a Change of Control Triggering Event occurs with respect to the Debentures, SmartCentres will be required to make an offer to repurchase all or, at the option of the holder of the Debentures, any part (equal to \$1,000 or an integral multiple thereof) of each holder's Debentures pursuant to the offer described below (the "**Change of Control Offer**") on the terms set forth in the Series T Trust Indenture. In the Change of Control Offer, SmartCentres will be required to offer payment in cash equal to 101% of the aggregate outstanding principal amount of the applicable series of Debentures to be repurchased together with accrued and unpaid interest on such Debentures to, but excluding, the date of repurchase.

Within 30 days following any Change of Control Triggering Event with respect to the Debentures, SmartCentres will be required to give written notice to holders of the applicable series of Debentures describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the applicable series of Debentures on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is given. SmartCentres must comply with the requirements of applicable securities laws and regulations in connection with the repurchase of the applicable series of Debentures as a result of a Change of Control Triggering Event. To the extent that the provisions of any such applicable securities laws and regulations conflict with the Change of Control provisions, SmartCentres will be required to comply with such laws and regulations and will not be deemed to have breached its obligations to repurchase the applicable series of Debentures by virtue of such conflict.

SmartCentres will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such an offer substantially in the manner, at the times and in compliance with the requirements for a Change of Control Offer (and for at least the same purchase price payable in cash) and such third party purchases all of the applicable series of Debentures properly tendered and not withdrawn under its offer.

Defeasance

The Trust Indenture contains provisions requiring the Indenture Trustee to release SmartCentres from its obligations under the Trust Indenture and any supplemental indenture relating to a particular series of Debt Securities (including the Debentures) provided that, among other things, SmartCentres satisfies the Indenture Trustee that it has deposited funds or made due provision for the payment of (i) the expenses of the Indenture Trustee and (ii) all principal, premium (if any), interest and other amounts due or to become due in respect of such series of Debt Securities and relevant tax opinions are obtained.

Modification and Waiver

The rights of the holders of Debt Securities issued under the Trust Indenture and any supplemental indenture may be modified if authorized by Extraordinary Resolution. If the proposed modification affects the rights of the holders of a separate series of Debt Securities rather than all of the Debt Securities, the approval of a like proportion of the holders of such separate series of Debt Securities outstanding will be required.

The approval threshold for an Extraordinary Resolution will generally be 66 $\frac{2}{3}$ % but will be 75% for the following: (a) to change the stated maturity of the principal or redemption price of or any premium or installment of interest on, any Debt Securities of such series, (b) to reduce the principal amount of, or interest or premium (if any) on, any Debt Securities of such series, (c) to change the place or currency of payment of the principal of, premium (if any) on redemption price of or interest on, any Debt Securities of such series or (d) to amend the percentage of Debt Securities of such series necessary to approve an Extraordinary Resolution. See the definition of “Extraordinary Resolution” under “Definitions”.

Subject to certain rights of the Indenture Trustee as provided in the Trust Indenture, the holders of a majority of the outstanding principal amount of the Debt Securities of a series (including the Debentures), on behalf of all holders of Debt Securities of such series, may waive certain Events of Default under the Trust Indenture with respect to such series of Debt Securities.

Financial Information

SmartCentres has covenanted in the Trust Indenture to deliver to the Indenture Trustee its audited annual financial statements and unaudited interim financial statements at such time as such statements are delivered to Canadian securities regulators.

PLAN OF DISTRIBUTION

Pursuant to an agency agreement (the “**Agency Agreement**”) dated March 18, 2019 between the Agents and SmartCentres, SmartCentres has appointed the Agents as its agents to offer for sale on a best efforts basis, if, as and when issued by SmartCentres, subject to compliance with all necessary legal requirements and to the terms and conditions contained in the Agency Agreement, up to \$350,000,000 aggregate principal amount of Debentures at a price equal to \$1,000 per \$1,000 principal amount of Debentures, plus accrued interest (if any) from March 25, 2019 to the date of delivery, payable in cash to SmartCentres against delivery of such principal amount of Debentures. While the Agents have agreed to use their best efforts to sell the Debentures offered under this prospectus supplement, the Agents will not be obligated to purchase any Debentures which are not sold.

The Agency Agreement provides that SmartCentres will pay the Agents a fee equal to 0.20% of the gross proceeds from the sale of the Debentures on account of their services rendered in connection with this offering. The obligations of the Agents under the Agency Agreement are several and may be terminated at their discretion on the basis of their assessment of the state of the financial markets, their assessment of any material change to the business of SmartCentres and may also be terminated upon the occurrence of certain stated events.

The Offering is being made in each of the provinces of Canada. The Debentures have not been and will not be registered under the U.S. Securities Act or any state securities laws. Accordingly, except in certain transactions exempt from the registration requirements of the U.S. Securities Act and applicable state securities laws, the Debentures may not be offered, sold or delivered within the United States, and each Agent has agreed that it will not offer, sell or deliver the Debentures within the United States except in certain transactions exempt from the registration requirements of the U.S. Securities Act and applicable state securities laws. In addition, until 40 days after the commencement of this offering of Debentures, any offer or sale of the Debentures offered hereby within the United States by any dealer (whether or not participating in this offering) may violate the registration requirements of the U.S. Securities Act.

SmartCentres has agreed to indemnify the Agents and their respective shareholders, directors, officers, employees and agents against certain liabilities, including civil liabilities under Canadian provincial securities legislation, or to contribute to payments the Agents may be required to make in respect thereof.

Pursuant to policy statements of certain securities regulators, the Agents may not, throughout the period of distribution under this prospectus supplement, bid for or purchase Debentures. The foregoing restriction is subject to certain exceptions, on the condition that the bid or purchase is not engaged in for the purpose of creating actual or apparent active trading in or raising the price of, Debentures. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules as administered by Investment Industry Regulatory Organization of Canada relating to market stabilization and passive market making activities and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution. Under the first mentioned exception, in connection with this offering, the Agents may over-allot or effect transactions which stabilize or maintain the market price of the Debentures at levels other than those which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time.

SmartCentres has further agreed with the Agents that it will not issue or sell Debentures or any other senior unsecured debentures of SmartCentres (or agree to do so or publicly announce any intention to do so), at any time prior to 60 days after the issuance of the Debentures offered pursuant to this prospectus supplement, unless (i) the issue or sale or the proposed issue or sale is made pursuant to the Agency Agreement; or (ii) SmartCentres will have obtained the prior written consent of Scotia Capital Inc. on behalf of the Agents, which consent will not be unreasonably withheld or delayed.

RELATIONSHIP BETWEEN SMARTCENTRES AND CERTAIN OF THE AGENTS

Each of Scotia Capital Inc., BMO Nesbitt Burns Inc., National Bank Financial Inc., CIBC World Markets Inc., RBC Dominion Securities Inc., TD Securities Inc. and Desjardins Securities Inc. is a subsidiary of a financial institution which is among SmartCentres' principal lenders. Consequently, SmartCentres may be considered to be a "connected issuer" of such Agents under applicable Canadian securities legislation. SmartCentres intends to use a portion of the net proceeds of the offering to repay outstanding indebtedness under certain of the credit facilities referred to below. See "Use of Proceeds".

As at March 19, 2019:

- (a) approximately \$150,000,000 is outstanding under a credit facility, and approximately \$87,743,000 in aggregate, is outstanding under construction loans and mortgages on certain of SmartCentres' properties, with the bank which owns Scotia Capital Inc., of which approximately \$17,775,000 of the proceeds of the offering are to be used to repay construction loans;
- (b) approximately \$10,560,000 in aggregate, is outstanding under construction loans on certain of SmartCentres' properties, with the bank which owns BMO Nesbitt Burns Inc., of which approximately \$10,560,000 of the proceeds of the offering are to be used to repay construction loans;
- (c) approximately \$19,946,000 is outstanding under construction loans on certain of SmartCentres' properties, with the bank which owns National Bank Financial Inc., of which approximately \$17,775,000 of the proceeds of the offering are to be used to repay construction loans;

- (d) approximately \$69,711,000 in aggregate, is outstanding under mortgages on certain of SmartCentres' properties, with the bank which owns CIBC World Markets Inc.;
- (e) approximately \$145,000,000 in aggregate, is outstanding under mortgages on certain of SmartCentres' properties with the bank that owns RBC Dominion Securities Inc.;
- (f) approximately \$426,213,000 in aggregate, is outstanding under construction loans and mortgages on certain of SmartCentres' properties, with the bank which owns TD Securities Inc.; and
- (g) approximately \$111,180,000 in aggregate, is outstanding under construction loans and mortgages on certain of SmartCentres' properties with the bank which owns Desjardins Securities Inc., of which approximately \$7,700,000 of the proceeds of the offering are to be used to repay construction loans.

The credit facilities and the mortgages referred to above are secured by certain assets of SmartCentres. The agreements governing such indebtedness contain representations and covenants, restrictions and events of default that are customary for such agreements, including restrictions on SmartCentres relating to additional indebtedness, liens and encumbrances and adherence to specified financial covenants.

As of the date of this prospectus supplement, SmartCentres is in compliance with the terms of such agreements and the financial position of SmartCentres and the value of the security granted to the financial institutions pursuant to such agreements have not materially changed since such agreements were entered into. Except as disclosed in this prospectus supplement or the documents incorporated by reference herein, there has been no material change in the financial position of SmartCentres since the indebtedness under these credit facilities and mortgages were incurred.

Each of the Agents has advised SmartCentres that the decision to participate in this offering was made independently of the financial institutions and the financial institutions had no influence as to the determination of the terms of the distribution. None of the Agents will receive any benefit in connection with this offering other than its share of the Agents' fee payable by SmartCentres.

USE OF PROCEEDS

The estimated net proceeds to SmartCentres from this offering, after deducting the Agents' fees of \$700,000 but before deducting the estimated expenses of the issue estimated to be approximately \$400,000, will be approximately \$349,300,000.

SmartCentres intends to use the net proceeds of the offering for the repayment of existing indebtedness and for general trust purposes. More specifically, the net proceeds of the offering will be used to first repay a variable rate mortgage of approximately \$213 million, to second repay certain variable rate construction loan facilities of approximately \$120 million and the balance, if any, for general trust purposes.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Counsel, the following is a summary of the principal Canadian federal income tax considerations generally applicable under the Tax Act to a holder who acquires Debentures, including, entitlement to all payments thereunder, as beneficial owner, pursuant to this offering. This summary is applicable to such a holder who, at all relevant times, for purposes of the application of the Tax Act: (i) is, or is deemed to be, resident in Canada; (ii) deals at arm's length with, and is not affiliated with, SmartCentres; and (iii) holds the Debentures as capital property (a "**Holder**"). Generally, the Debentures will be considered to be capital property to a Holder provided the Holder does not acquire or hold the Debentures in the course of carrying on a business of buying, holding or selling securities or as part of an adventure or concern in the nature of trade. Certain Holders may be entitled to make or may have already made the irrevocable election permitted by subsection 39(4) of the Tax Act, the effect of which may be to deem to be capital property any Debentures (and all other "Canadian securities", as defined in the Tax Act) owned by such Holder in the taxation year in which the election is made and in all subsequent taxation years. Holders whose

Debentures might not otherwise be considered to be capital property should consult their own tax advisors concerning this election..

This summary is not applicable to a holder (i) an interest in which is a “tax shelter investment”, (ii) that is, for purposes of certain rules (referred to as the mark-to-market rules) applicable to securities held by financial institutions, a “financial institution”, (iii) that reports its “Canadian tax results” in a currency other than Canadian currency, or (iv) that enters into, with respect to their Debentures, a “derivative forward agreement”, each as defined in the Tax Act. Such holders should consult their own tax advisors.

This summary is based on (i) the facts set out in the Short Form Prospectus and this prospectus supplement (including the documents incorporated by reference), (ii) a certificate of SmartCentres as to certain factual matters, (iii) the current provisions of the Tax Act in force at the date hereof, and (iv) Counsel’s understanding of the current administrative policies and assessing practices of the Canada Revenue Agency published in writing by it prior to the date hereof. This summary takes into account all specific proposals to amend the Tax Act publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the “**Proposed Amendments**”) and assumes that all Proposed Amendments will be enacted in the form proposed. However, no assurances can be given that the Proposed Amendments will be enacted as proposed, or at all. This summary does not otherwise take into account or anticipate any changes in law or administrative policy or assessing practice, whether by legislative, administrative or judicial action, nor does it take into account any other federal, provincial, territorial or foreign jurisdiction tax legislation or considerations, which may differ from those discussed herein.

This summary is of a general nature only and is not, and is not intended to be, legal or tax advice to any particular holder. This summary is not exhaustive of all Canadian federal income tax considerations. Accordingly, prospective holders of Debentures should consult their own tax advisors having regard to their own particular circumstances.

Taxation of Interest on Debentures

A Holder that is a corporation, partnership, unit trust or any trust of which a corporation or a partnership is a beneficiary will be required to include in computing its income for a taxation year any interest or amount that is considered for the purposes of the Tax Act to be interest on a Debenture that accrues to it (or that is deemed to accrue to it) to the end of the particular taxation year or that has become receivable by or is received by the Holder before the end of that taxation year, except to the extent that such interest was included in computing the Holder’s income for a preceding taxation year.

Any other Holder will be required to include in computing income for a taxation year any interest on a Debenture (or amount considered to be interest) that is received or receivable by the Holder in that taxation year (depending upon the method regularly followed by the Holder in computing income), except to the extent that the Holder included that interest in income for a preceding taxation year.

Upon a disposition or deemed disposition of a Debenture (including on a repayment on maturity of a Debenture), a Holder will generally be required to include in computing its income for the taxation year in which the disposition occurs the amount of interest (or amount considered to be interest) that has accrued on the Debenture to that time, except to the extent such interest was otherwise included in the Holder’s income for that or a previous taxation year.

Dispositions of Debentures

A disposition or deemed disposition by a Holder of a Debenture, including on a repayment on maturity of a Debenture, will generally result in the Holder realizing a capital gain (or capital loss) equal to the amount, if any, by which the proceeds of disposition of the Debenture exceed (or are less than) the Holder’s adjusted cost base of the Debenture (immediately before the disposition or deemed disposition) and any reasonable costs of disposition in respect thereof. Generally, a Holder is required to include in computing its income for a taxation year one-half of the amount of any capital gain (a “**taxable capital gain**”) realized in the year. Subject to and in accordance with the provisions of the Tax Act, a Holder is required to deduct one-half of the amount of any capital loss (an “**allowable capital loss**”) realized in a taxation year from taxable capital gains realized by the Holder in the year and allowable capital losses in excess of taxable capital gains for the year may be carried back and deducted in any of the three

preceding taxation years or carried forward and deducted in any subsequent taxation year against net taxable capital gains realized in such years.

A Holder's proceeds of disposition of a Debenture will exclude any amount included in the Holder's income as interest (or amount considered to be interest) (as discussed above under "Taxation of Interest on Debentures").

RISK FACTORS

There are risks associated with the Debentures being distributed under this offering. In addition to the risks described herein, reference is made to the risks described in the Short Form Prospectus including SmartCentres' annual information form and management's discussion and analysis which are incorporated therein by reference. See "Documents Incorporated by Reference".

Credit Ratings

Real or anticipated changes in credit ratings on the Debentures may affect the market value of the Debentures. In addition, real or anticipated changes in credit ratings can affect the cost at which SmartCentres can access the debenture market.

Structural Subordination of Debentures

Liabilities of a parent entity with assets held by various Subsidiaries may result in the structural subordination of the lenders of the parent entity. The parent entity is entitled only to the residual equity of its Subsidiaries after all debt obligations of its Subsidiaries are discharged. In the event of a bankruptcy, liquidation or reorganization of SmartCentres, holders of indebtedness of SmartCentres (including holders of Debentures) may become subordinate to lenders to the Subsidiaries of SmartCentres.

Wholly-owned Material Subsidiaries of SmartCentres will provide a form of guarantee pursuant to which the Indenture Trustee will, subject to the Trust Indenture, be entitled to seek redress from such wholly-owned Subsidiaries for the guaranteed indebtedness. These guarantees are intended to eliminate structural subordination which arises as a consequence of certain SmartCentres assets being held in various Subsidiaries. Although all wholly-owned Material Subsidiaries will provide a guarantee, not all Subsidiaries of SmartCentres will provide such a guarantee. In addition, there can be no assurance that the Indenture Trustee will, or will be able to, effectively enforce the guarantee. See "Details of the Offering – Guarantee".

Coverage Ratios

See "Interest and Earnings Coverages" which is relevant to an assessment of the risk that SmartCentres will be unable to pay interest or principal on the Debentures when due.

Market Value Fluctuation

If the Debentures are traded after their initial issuance, they may trade at a price lower than their initial public offering price. The market price or value of the Debentures depends on many factors, including liquidity of the Debentures, prevailing interest rates and the markets for similar securities, general economic conditions and SmartCentres' financial condition, historic financial performance and future prospects. Prevailing interest rates will affect the market price or value of the Debentures.

Challenging market conditions, the health of the economy as a whole and numerous other factors beyond SmartCentres' control may have a material effect on SmartCentres' business, financial condition, liquidity and results of operations. Financial markets have recently experienced significant price and volume fluctuations that have particularly affected the market prices of securities of issuers and that have often been unrelated to the operating performance, underlying asset values or prospects of such issuers. There can be no assurance that continuing fluctuations in price and volume will not occur. Accordingly, the market price of the Debentures may decline even if SmartCentres operating results, underlying asset values or prospects have not changed. Additionally, these factors, as well as other related factors, may cause decreases in asset values that are objective evidence of impairment, which

may result in impairment losses. If such increased levels of volatility and market turmoil continue, SmartCentres' operations could be adversely impacted and the market price of the Debentures may be adversely affected.

Trading Market for Debentures

There is no market through which the Debentures may be sold and purchasers may not be able to resell Debentures purchased under this prospectus supplement. This may affect the pricing of the Debentures in the secondary market, the transparency and availability of trading prices, the liquidity of the Debentures and the extent of issuer regulation.

If the Debentures are traded after their initial issuance, they may trade at a discount from their initial public offering price depending on prevailing interest rates, the market for similar securities, the performance of SmartCentres and other factors. No assurance can be given as to whether an active trading market will develop or be maintained for the Debentures. To the extent that an active trading market for the Debentures does not develop, the liquidity and trading prices for the Debentures may be adversely affected.

Statutory Remedies

SmartCentres is not a legally recognized entity within the relevant definitions of the *Bankruptcy and Insolvency Act*, the *Companies' Creditors Arrangement Act* and in some cases, the *Winding-Up and Restructuring Act*. As a result, in the event a restructuring of SmartCentres were necessary, SmartCentres would not be able to access the remedies available thereunder. In the event of a restructuring, a holder of Debentures may be in a different position than a holder of secured indebtedness of a corporation.

Canadian Tax-Related Risks

The Tax Act imposes a special taxation regime (the "**SIFT Rules**") applicable to SIFT trusts, as such term is defined in the Tax Act. Under the SIFT Rules, a SIFT trust is subject to tax in respect of certain distributions that are attributable to the SIFT trust's "non-portfolio earnings" as defined in the Tax Act; generally, income (other than certain dividends) from, or capital gains realized on, "non-portfolio properties", which does not include certain investments in non-Canadian entities, at a rate substantially equivalent to the combined federal and provincial corporate tax rate on certain types of income.

The SIFT Rules are not applicable to real estate investment trusts that meet certain specified criteria (as provided in the Tax Act) relating to the nature of their revenues and investments (the "**REIT Exception**"). If SmartCentres fails to qualify for the REIT Exception, SmartCentres will be subject to the tax regime under the SIFT Rules.

Based on the legislation as it is now enacted, SmartCentres, as currently structured, does qualify for the REIT Exception and thus is not currently subject to tax under the SIFT Rules. However, no assurance can be given that SmartCentres will continue to qualify for the REIT Exception.

AUDITOR, TRANSFER AGENT AND REGISTRAR

The auditor of SmartCentres is PricewaterhouseCoopers LLP, Chartered Professional Accountants, Licensed Public Accountants located at 18 York Street, Suite 2600, Toronto, Ontario M5J 0B2. PricewaterhouseCoopers LLP has advised that they are independent with respect to SmartCentres within the meaning of the Rules of Professional Conduct of the Institute of Chartered Professional Accountants of Ontario.

The registrar and transfer agent for the Debentures will be Computershare Trust Company of Canada at its principal office in Toronto, Ontario.

LEGAL MATTERS

Legal matters in connection with the issuance of the Debentures offered by this prospectus supplement will be passed upon at the date of closing on behalf of SmartCentres by Osler, Hoskin & Harcourt LLP and on behalf of the Agents by McCarthy Tétrault LLP.

As of the date hereof, the partners and associates of Osler, Hoskin & Harcourt LLP, as a group, and McCarthy Tétrault LLP, as a group, beneficially own, directly or indirectly, less than 1% of the outstanding Units.

PURCHASERS' STATUTORY RIGHTS

Securities legislation in certain of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment thereto. In several of the provinces, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment thereto contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revision of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of these rights or consult with a legal adviser.
