**SmartCentres Real Estate Investment Trust
Series V Senior Unsecured Debentures
Final New Issue Terms and Conditions**

June 4, 2020

The following is a brief summary of certain attributes and characteristics of the Series V Debentures (as defined below) which does not purport to be complete. For full particulars, reference is made to the indenture for the Series V Debentures providing for, among other things, the creation and issuance of the Series V Debentures. Should any conflict arise between the following summary and the indenture, the terms of the indenture will govern.

There is no market through which the securities may be sold, and purchasers may not be able to resell the securities purchased under the term sheet. This may affect the pricing of the securities in the secondary market, the transparency and availability of trading prices, the liquidity of the securities and the extent of issuer regulation.

Issue: Series V Senior Unsecured Debentures (the “**Series V Debentures**” or “**the Debentures**”) to be issued under the September 22, 2005 indenture between the REIT and Computershare Trust Company of Canada (the “**Indenture**”) as supplemented by a supplemental indenture to be dated the Closing

REIT (the “**Closing Date**”).

Redemption:

Prior to April 11, 2027 (the “**Par Call Date**”) the Debentures are redeemable at the option of the REIT, in whole or in part upon payment of a redemption price equal to the greater of (i) the Canada Yield Price and (ii) par, together in each case with accrued and unpaid interest to the date fixed for redemption. In the event that the REIT elects to redeem the Debentures in whole or in part on or after the Par Call Date the redemption price shall be par together with accrued and unpaid interest to the date fixed for redemption.

“**Canada Yield Price**” means a price equal to the price of the Debentures calculated to provide a yield to the Par Call Date equal to the Government of Canada Yield (to be determined on the date the REIT gives notice of redemption) plus 0.655%.

“**Government of Canada Yield**” on any date means the yield to the Par Call Date on such date, compounded semi-annually and calculated in accordance with generally accepted financial practice, which a non-callable Government of Canada bond would carry if issued, in Canadian dollars in Canada, at 100% of its principal amount on such date with a term to maturity equal to the remaining term to the Par Call Date, calculated as of the redemption date of the Debentures, such yield to the Par Call Date being the average of the yields provided by two major Canadian investment dealers selected by the REIT.

Rank:

The Debentures will be direct unsecured obligations of the REIT and will rank equally and rateably with all other present and future unsecured and unsubordinated indebtedness of the REIT.

Guarantee:

The Debentures will be guaranteed by the Wholly-Owned Material Subsidiaries (as defined in the Indenture) of the REIT. All such current and future Material Subsidiaries will provide a guarantee of the Debentures. In the case of default by the REIT, the Indenture Trustee will, subject to a supplemental indenture governing the Debentures (the “**Supplemental Indenture**”), be entitled to seek redress from such Wholly-Owned Material Subsidiaries for the guaranteed obligations in the same manner and upon the same terms that it may seek to enforce the obligations of the REIT. These guarantees are intended to eliminate structural subordination, which arises as a consequence of the REIT’s assets being held primarily in various subsidiaries. A guarantor may be released from its guarantee in certain circumstances where it no longer remains a majority-owned

Subsidiary of the REIT.

Resale Restrictions:

The Debentures will be subject to transfer and resale restrictions in Canada and the certificates representing the Debentures (or the relevant ownership statement under a direct registration system or other book-entry system) will bear the following legend and this document also serves as notice to each purchaser of the Debentures of the transfer and resale restrictions described in the following legend:

“UNLESS PERMITTED UNDER CANADIAN SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE OCTOBER 12, 2020.

There is currently no secondary market for the Debentures. There can be no assurance that a secondary market will develop or, if a secondary market does develop, that it will provide holders of the Debentures with liquidity for their investment or that it will continue for the life of the Debentures. Accordingly, purchasers of the Debentures may be required to bear the financial risk of investing in the Debentures until the applicable Maturity Date.

Relationship Between the REIT and the Agents:

Each of Scotia Capital Inc., RBC Dominion Securities Inc., BMO Nesbitt Burns Inc., National Bank Financial Inc., CIBC World Markets Inc., TD Securities Inc., Desjardins Securities Inc. and HSBC Securities (Canada) Inc. is a subsidiary of a financial institution which is a lender to the REIT under its operating credit facility. Certain of such institutions also have construction financing facilities with the REIT and its subsidiaries. Each of Scotia Capital Inc., RBC Dominion Securities Inc., BMO Nesbitt Burns Inc., National Bank Financial Inc., CIBC World Markets Inc., TD Securities Inc. and Desjardins Securities Inc. is a subsidiary of a financial institution which is a mortgage lender to the REIT. The REIT intends to use approximately \$50 million of the proceeds of the Offering to repay outstanding indebtedness for which affiliates of these Agents are the lenders. See “Use of Proceeds”. Consequently, the REIT may be considered to be a “connected issuer” of such Agents under applicable Canadian securities legislation.

Certain of the credit facilities and the mortgages referred to above are secured by certain assets of the REIT. The agreements governing such indebtedness contain representations and covenants, restrictions and events of default that are customary for such agreements, including restrictions on the REIT relating to additional indebtedness, liens and encumbrances and adherence to

specified financial covenants. As of the date of this Term Sheet, the REIT is in compliance with the terms of such agreements. Except as disclosed in the public filings of the REIT, there has been no material change in the value of the security granted to the financial institutions pursuant to such agreements or in the financial position of the REIT since the indebtedness under these credit facilities and mortgages were incurred. Each of the Agents has advised REIT that the decision to participate in this offering was made independently of the financial institutions and the financial institutions had no influence as to the determination of the terms of the Debentures. None of the Agents will receive any benefit in connection with this offering other than its share of the Agents' fee payable by REIT.
