SmartCentres 2021 First Quarter Results and Conference Call

Toronto, Ontario (April 19, 2021) – SmartCentres Real Estate Investment Trust (“SmartCentres” or the “Trust”) (TSX: SRU.UN) announced today that it will issue its financial results for the three months ending March 31, 2021 on Wednesday, May 12, 2021.

SmartCentres will hold a conference call on Thursday, May 13, 2021 at 2:00 p.m. (ET). Participating on the call will be members of SmartCentres’ senior management.

Investors are invited to access the call by dialing 1-855-353-9183 and then keying in the participant access code 93397#. A recording of this call will be made available Thursday, May 13, 2021 beginning at 8:30 p.m. (ET) through to 8:30 p.m. (ET) on Thursday, May 20, 2021. To access the recording, please call 1-855-201-2300, enter the Conference Reference Number 1253038# and then key in the participant access code 93397#.

Recordings of SmartCentres’ current and previous conference calls can be found at www.smartcentres.com/investing/conference-calls/.

About SmartCentres

SmartCentres Real Estate Investment Trust is one of Canada’s largest fully integrated REITs, with a best-in-class portfolio featuring 167 strategically located properties in communities across the country. SmartCentres has approximately \$10.7 billion in assets and owns 33.8 million square feet of income producing value-oriented retail space with over 97% occupancy, on 3,500 acres of owned land across Canada.

SmartCentres continues to focus on enhancing the lives of Canadians by planning and developing complete, connected, mixed-use communities on its existing retail properties. Project 512, a publicly announced \$13.5 billion intensification program (\$7.9 billion at SmartCentres’ share), represents the REIT’s current major development focus on which construction is expected to commence within the next five years. This intensification program consists of rental apartments, condos, seniors’ residences and hotels, to be developed under the SmartLiving banner, and retail, office, and storage facilities, to be developed under the SmartCentres banner.

SmartCentres’ intensification program is expected to produce an additional 55.4 million square feet (32.5 million square feet at SmartCentres’ share) of space, 27.7 million square feet (16.2 million square feet at SmartCentres’ share) of which has or will commence construction within the next five years. From shopping centres to city centres, SmartCentres is uniquely positioned to reshape the Canadian urban and urban-suburban landscape.

Included in this intensification program is the Trust’s share of SmartVMC which, when completed, is expected to include approximately 11.0 million square feet of mixed-use space in Vaughan, Ontario. Construction of the first five sold-out phases of Transit City Condominiums that represent 2,789 residential units continues to progress. Final closings of the first two phases of Transit City Condominiums began ahead of budget and ahead of schedule in August 2020 and all 1,110 units

in the first and second phases have now closed. In addition, the presold 631 units in the third phase along with 22 townhomes, all of which are sold out and currently under construction, are expected to close in 2021. The fourth and fifth sold-out phases representing 1,026 units are currently under construction and are expected to close in 2023.

Certain statements in this press release are "forward-looking statements" that reflect management's expectations regarding the Trust's future growth, results of operations, performance and business prospects and opportunities. More specifically, certain statements including, but not limited to, statements related to SmartCentres' expected or planned development plans and joint venture projects, including the described type, scope, costs and other financial metrics and the expected timing of construction and condominium closings and statements that contain words such as "could", "should", "can", "anticipate", "expect", "believe", "will", "may" and similar expressions and statements relating to matters that are not historical facts, constitute "forward-looking statements". These forward-looking statements are presented for the purpose of assisting the Trust's unitholders and financial analysts in understanding the Trust's operating environment, and may not be appropriate for other purposes. Such forward-looking statements reflect management's current beliefs and are based on information currently available to management.

However, such forward-looking statements involve significant risks and uncertainties. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements, including risks associated with potential acquisitions not being completed or not being completed on the contemplated terms, public health crises such as the COVID-19 pandemic, real property ownership and development, debt and equity financing for development, interest and financing costs, construction and development risks, ability to obtain commercial and municipal consents for development. These risks and others are more fully discussed under the heading "Risks and Uncertainties" and elsewhere in the SmartCentres' most recent MD&A, as well as under the heading "Risk Factors" in SmartCentres' most recent annual information form. Although the forward-looking statements contained in this press release are based on what management believes to be reasonable assumptions, SmartCentres cannot assure investors that actual results will be consistent with these forward-looking statements. The forward-looking statements contained herein are expressly qualified in their entirety by this cautionary statement. These forward-looking statements are made as at the date of this press release and SmartCentres assumes no obligation to update or revise them to reflect new events or circumstances unless otherwise required by applicable securities legislation.

Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in the forward-looking information may include, but are not limited to: a stable retail environment; relatively low and stable interest costs; a continuing trend toward land use intensification, including residential development in urban markets and continued growth along transportation nodes; access to equity and debt capital markets to fund, at acceptable costs, future capital requirements and to enable our refinancing of debts as they mature; that requisite consents for development will be obtained in the ordinary course, construction and permitting costs consistent with the past year and recent inflation trends.
